

LAKE PRODUCTS LTD

MANUFACTURERS AND DISTRIBUTORS

7th September 2022

To Whom It May Concern

ALL PIPETITE GRADE PRODUCTS

REACH SVHC (SUBSTANCES OF VERY HIGH CONCERN) CERTIFICATION

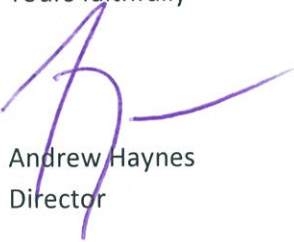

We hereby confirm that Pipetite® silicone products do not contain or do not contain over 0.1% w/w per article of any substances listed to the SVHC Authorisation with the latest update on 10th June 2022.

Please note that these contain D4, D5 and D6 as an impurity but usually less than 0.1% w/w per article.

Please refer to the detailed information about 224 SVHC candidates at the following link:

<https://www.echa.europa.eu/candidate-list-table>

Yours faithfully

Andrew Haynes
Director
